**1. Petition Ballot Wording:**

Mr Monton attended this meeting to help with the wording. Mr Monton stated that we had to take the wording as it was written on the ballot, however it needs to be in the form of a question. He made suggestions, and conversations were had as to which wording made sense and that the wording previously submitted were to long. After much discussion and Mr Montons advisement an agreement was made as to which language to submit to the county clerk. Ms Gustafson is going to verify that a copy of the petition can be posted during the election, she believes that it can be posted, but wants to double check.

*Moved by Mr Hilbert , supported by Ms Gustafson to accept the proposed ballot language as read..  
All in Favor.*

*Motion Carried.*

**PUBLIC COMMENT:**

Mr McGuire would like a copy of what was read and approved.

Mr K Stevenson would like to see the Petition posted at the hall for the township members to be able to view it.

Mr D Stevenson thought maybe board could be installed on the side of the building and it could be viewed in there.
